Horseless Carriage Club of Missouri General Judging Information

HCCM judges your vehicle against the standard of the vehicle as it left the factory. Accessories added by the dealer for the period are not penalized as long as they can be confirmed as appropriate for the period. There will be no penalty for safety equipment, however, **there will be a 2 point deduction for not having a fire extinguisher.**

Historic classes (restored vehicles) are judged to the above standard (as original from a dealer/factory) based on authenticity and condition.
