THEME & AWARDS The 2024 theme is "Totally Rad-Back to the 80s." Awards will be given for: *Theme of Parade, Judges Choice, Most Original Entry, Best Church Entry, Best School Entry.* The winners will be announced on September 23, 2024 at www.afftonlemaychamber.com and Affton-Lemay Community Parade Facebook page. Any entry received after September 6, 2024, will not be included in the judging line-up. Entries received after the deadline may or may not be allowed to participate and will be placed at the end of the parade if space is available.

LINE UP/STAGING Only parade entry vehicles will be allowed entrance at the staging area. There is no parking available at Affton High School. Enter the north parking lot of Affton High School where you'll receive a color-coded parade entry number for each vehicle. There will only be enough entry numbers for the vehicles indicated on your application. The volunteer parade marshals will be able to direct you to the proper lot making the check-in process quicker. They will assist you with any issue. They have full authority to make and enforce decisions, which will ensure the safe progress of the parade. Entries need to arrive by 9:00 am. It is of particular importance that large vehicles or floats line up by that time. Individual marchers can arrive as late as 9:30 am, but please allow time for riding the shuttle bus to the staging area.

DROPPING OFF PARTICIPANTS Vehicles dropping off parade participants will not be allowed in the staging area. They may park behind Bayless Elementary School (4531 Weber Road) and ride the shuttle bus to Affton High School. Please instruct your participants to tell the marshals they are with the organization listed on the application you submitted. The parade marshals will then direct them the appropriate entry.

PARTICIPANT SHUTTLE BUS SCHEDULE

8:00-9:15 am: Bayless Elementary School ↔ Affton High School

street reopening-12:30 pm: Affton High School ↔ Bayless Elementary School

WHEEL WALKERS In order to reduce gaps between entries during the parade, maintain an appropriate and safe pace, and ensure an entertaining parade for all of our participants, all Parade units are required to provide designated parade unit wheel walkers. Wheel Walkers are asked to: Walk on either side of every moving vehicle, next to the wheels, to ensure that the area in front of their unit is clear of any pedestrians or other parade units. Maintain the movement and pacing in the parade of all vehicles and marchers belonging to their unit, maintaining a distance approximately 20 feet from the unit ahead of them.

PARADE RULES To provide for everyone's safety, it is strictly **prohibited to throw any items from the parade units.** We ask that candy, and any other items, be handed out by walkers in the curb lanes. Anyone violating this rule will be asked, by the parade marshals, to drop out of the parade. Only licensed drivers may drive vehicles in the parade. No alcohol is allowed.

END OF PARADE When the parade reaches the Bayless Elementary School, entries that do not need to drop off participants or breakdown their float must continue on Weber Road. Entries that need to breakdown and drop off participants will follow the marshals/police directions to park near the Bayless Elementary School. There will be a shuttle bus returning to Affton High School.

CHANGES TO YOUR ENTRY Your assigned line-up area is only large enough for your unit, as described on your application. If there are any changes to the size of your float or the number of vehicles, let us know as soon as possible. If you have made changes without telling us, you will not fit in the space which we have allowed for you. This has caused problems in the past. Changes after September 6 may not be able to be accommodated.
